He grew extremely tired of endless hardships that were being pointed at him every single day.

All he tried was to improve my life.

Even when I don't know you.

Even when you don't know me.

Why do you hate me

What have I done so wrong

꽂!

Myo-Jin didn't want to kill anyone anymore.

I can't do this... I shouldn't...

But I can't stop thinking that you should have never been allowed to escape from the muddy hell...

Why...

"Seeing her tears, he could not even dare to ask, "what's wrong"
